D. ELIGIBILITY

The Sexual Assault Training and Technical Assistance Program recipient funded by OES during the last fiscal year is eligible to receive funds.

E. FUNDS

1. Grant Award Year

The grant award year is October 1, 2007 to September 30, 2008. Continuation funding is contingent upon satisfactory performance and subject to the availability of funds.

2. Grant Award Amount

A total of \$180,000 is available for the Sexual Assault Training and Technical Assistance Program. The amount of \$180,000 is to be used to promote coordinated public and private efforts to aid sexual assault victims/survivors.

3. Fund Information

a. Violence Against Women Act (VAWA)

Per Section 42 U.S.C. Section 3796gg, the purpose of the Violence Against Women Act, Services*Training*Officers*Prosecutors (VAWA S*T*O*P*) is to assist States, State and local courts, Indian tribal governments, tribal courts and units of local government to develop and strengthen effective law enforcement and prosecution strategies to combat violent crimes against women, and to develop and strengthen victim services in cases involving violent crimes against women. However, nothing in this title shall be construed to prohibit male victims of domestic violence, dating violence, sexual assault and stalking from receiving benefits and services under this title.

b. Match Requirement

VAWA S*T*O*P* requires a 25% match of non-profit victim service organizations. OES, as the state grantee and administrator of VAWA S*T*O*P* funds, is meeting the match requirement on behalf of the victim services organizations and intends to continue to do so to the extent possible. However, if this is no longer possible in the future, applicable victim services projects will be notified and budgets will need to be modified to incorporate the 25% cash or in-kind match requirement.

c. Publications

Original publications (written, visual, or sound) produced all or in part with S*T*O*P funds must contain the following statement:

"This project was supported by Grant No. _____ awarded by the Office on Violence Against Women, U.S. Department of Justice, and through Grant Award No. _____ from the California Governor's Office of Emergency Services (OES). Points of view, opinions, findings and conclusions in this publication are those of the author and do not necessarily represent the official position or policies of the U.S. Department of Justice or of OES. OES reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish, and use these materials and to authorize others to do so."

The Recipient Handbook, Section 5120, advises projects to notify OES 60 calendar days in advance of intended publication. For this particular grant program, all such original publications must be submitted to OES for review and approval. OES is required to submit one copy of all reports and proposed publication resulting from this grant award to the Office on Violence Against Women twenty (20) days prior to public release.

d. Americans with Disabilities Act (ADA) Compliance

Applicant must be in compliance with the Americans with Disabilities Act (ADA) of 1990, 42 U.S.C. 12101, et seq, and Title 28 of the Code of Federal Regulations, part 35. The applicant shall operate so that each service is accessible to and usable by individuals with disabilities. Applicant may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternative accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock or other conveyances, or any other methods that result in making its services, programs, or activities readily accessible to and usable by individuals with disabilities.

Applicants must ensure that communication with individuals with disabilities is as effective as communication with others without disabilities. This includes the use of telecommunications systems for communications by telephone. Applicants must also ensure that individuals with impaired vision or hearing can obtain information as to the existence and location of accessible services, activities, and facilities, as well as provide appropriate signage. This includes all written materials (i.e. brochures, applications, consents, videos, etc.).

Applicants must ensure that all aspects of employment comply with ADA, including the application process (recruitment, hiring) and employment tasks.

F. PROGRAM INFORMATION

The Sexual Assault Training and Technical Assistance Program provides technical assistance and training to rape crisis centers in California. These services can be achieved by activities which include: General telephone and individualized in-person consultation, specialized conferences and training seminars, distribution of quarterly newsletters and other materials related to sexual assault, coordination of the annual statewide Sexual Assault Awareness Month events, and other appropriate activities.

Other program goals for the FY 2007-08 grant year include but are not limited to:

PART II – INSTRUCTIONS

The instructions in this section correspond to each of the application components and to the forms required, listed in Part IV, to complete the application.

The applicant must use the forms provided in “Forms” ([FORMS](#)) and plain 8½” x 11” white paper for the application. The blank Project and Budget Narrative pages on the website have been pre-formatted to OES standards. If you create your own computer-generated Project and Budget pages, the format must duplicate the OES pre-formatted pages.

Copies of the application must be assembled separately and individually fastened in the upper left corner. ***Do not bind application.***

A. PROJECT IMPLEMENTATION

1. Objectives and Activities

Include at least one measurable Objective for each criteria listed in Program Information, Part I Subsection F. Each Objective must include Activities describing the steps necessary to achieve the Objective and the time frame in which the Activity will occur/be completed. Objectives are to be listed on the left side of the page and Activities on the right side of the page.

Mandatory Objective: *The 6-month Progress Report for the Training and Technical Assistance Program must include a discussion of efforts taken throughout the State to “promote coordinated public and private efforts to aid sexual assault victims/survivors.”*

2. Organizational Chart

The Applicant's Appendix must contain a **current** organizational chart. It must show the relationship between the governing body, the organization, the project, and the project staff.

B. PROJECT BUDGET

The purpose of the project budget is to demonstrate how the applicant will implement the proposed plan with the funds available through this program. Project costs must be directly related to the objectives and activities of the project. The budget must cover the entire grant period. In the budget, include **ONLY** those items covered by grant funds, including match funds when applicable. The applicant may supplement grant funds with funds from other sources. However, since approved line items are subject to audit, the applicant should not include in the project budget matching funds (if applicable) in excess of the required match. Budgets are subject to OES modifications and approval.

OES requires the applicant to develop a **LINE ITEM** budget which will enable the project to meet the intent and requirements of the program, ensure the successful and cost effective implementation of the project. Failure of the applicant to include required items in the budget does not eliminate responsibility to comply with those requirements during the implementation of the project. The applicant should refer to the *Recipient Handbook* at www.oes.ca.gov. Select

“*Recipient Handbooks*” for additional information concerning OES budget policy or to determine if specific proposed expenses are allowable. Contact the person listed on page 1-subsection B of this RFA should you have additional budget questions.

1. **Specific Budget Categories**

There is a separate form in “*Forms*” ([FORMS](#)) section for each of the following three budget categories:

- Personal Services – Employee Salaries/Benefits;
- Operating Expenses; and
- Equipment.

Each budget category requires line item detail including the method of calculation and justification for the expense. Enter the amount of each line item in the right hand column of the Budget Category form. Charges must be clearly documented **and rounded up to the nearest whole dollar**. Enter the total amount of the budget category at the bottom of the form. If additional pages are needed, total only the last page of each budget category. The total of the budget including each funding source and/ or match amount must correspond to the amount of the Total Project Cost (block 10G) on the Grant Award Face Sheet. Additionally, the totals from each funding source or match must correspond to the Grant Award Face Sheet.

The bottom of the Equipment Category form contains a format for identifying the project total and fund distribution. This section must be completed and submitted even if there are no line items identified in the equipment category.

a. **Personal Services – Salaries/Employee Benefits (OES A303a):**

1) **Salaries**

Personal services include services performed by project staff directly employed by the applicant and must be identified by position and percentage of salaries. These may be salaried or hourly, full-time or part-time positions. Sick leave, vacation, holidays, overtime, and shift differentials must be budgeted as salaries. If the applicant’s personnel have accrued sick leave or vacation time prior to the approval of grant funding, they may not take time off using project funds. Salaries for staff not directly employed by the applicant must be shown as participating staff (see *Recipient Handbook*, Section 4500) the Operational Expenses Category. Consultant services remain under Operating Expenses (refer to Part II, B.2.b. - Operating Expenses - paragraph two.)

2) **Benefits**

Employee benefits must be identified by type and percentage of salaries. The applicant may use fixed percentages of salaries to calculate benefits. Budgeted benefits cannot exceed those already established by the applicant.

Employer contributions or expenses for social security, employee life and health insurance plans, unemployment insurance, and/or pension plans are allowable budget items. Benefits, such as uniforms or California Bar Association dues, are allowable budget items if negotiated as a part of an employee benefit package.

A line item is required for each different position/classification, but not for each individual employee. If several people will be employed full-time or part-time in the same position/classification, provide the number of full-time equivalents (e.g., three half-time clerical personnel should be itemized as 1.5 clerical positions).

b. Operating Expenses (OES A303b):

Operating expenses are defined as necessary expenditures other than personal salaries, benefits, and equipment. Such expenses may include specific items directly charged to the project, and in some cases, when permitted by the funding source, an indirect cost allowance. The expenses must be grant-related (e.g., to further the program objectives as defined in the grant award), and be encumbered during the grant period.

The following items fall within this category: consultant services such as subcontractors, participating staff who are not employed by the applicant, travel, office supplies, training materials, research forms, equipment maintenance, software equipment rental/lease, telephone, postage, printing, facility rental, vehicle maintenance, answering service fees, and other consumable items. Furniture and office equipment with an acquisition cost of less than \$5,000 per unit (including tax, installation, and freight) and/or with a useful life of less than one year fall within this category. Otherwise these fall under equipment expenses.

Salaries for staff not directly employed by the applicant must be shown as consultant and/or participating staff costs (whichever is applicable per *Recipient Handbook* Sections 3710 and 4500) under the Operating Expenses category. These costs must be supported by an Operational Agreement (OA), which must be kept on file by the recipient and made available for review during an OES site visit, monitoring visit, or audit. In the case of grants being passed through a recipient to be operated by another agency, the staff from the second agency will be shown in the Operating Expenses category.

c. Equipment (OES A303c):

Equipment is defined as nonexpendable tangible personal property having **a useful life of more than one year** and an acquisition cost of \$5,000 or more per unit (including tax, installation, and freight).

A line item is required for different types of equipment, but not for each specific piece of equipment (e.g., three laser jet printers must be one line item, not three).

C. APPLICATION APPENDIX

The Application Appendix provides OES with additional information from the applicant to support components of the application. The following must be included:

- Organizational Chart
- Noncompetitive Bid Request (*if applicable*)
- Noncompetitive Bid Justification (*if applicable*)
- Computer and Automated Systems Purchase Justification Guidelines (*if applicable*)
- Out of State Travel Request, OES 700 (*if applicable*)

FY 2007/08 SEXUAL ASSAULT TRAINING AND TECHNICAL ASSISTANCE PROGRAM REQUEST FOR APPLICATION

PART III – ADDITIONAL INFORMATION

The applicant is strongly encouraged to review the following sections in preparing the application.

- A. Finalizing the Grant Award Agreement
- B. Administrative Requirements
- C. Budget Policy
- D. Glossary of Terms

A. FINALIZING THE GRANT AWARD AGREEMENT

1. Standard Project Funding Authority

Allocation of funds is contingent on the enactment of the State Budget. OES does not have the authority to disburse funds until the budget is passed and the Grant Award Agreement is fully executed. Expenditures incurred prior to authorization are made at the project's own risk and may be disallowed. When the executed grant is received, and the State Budget is finalized, authorized expenditure reports may be submitted for reimbursement of expenditures incurred subsequent to the effective date of the grant award agreement.

If, during the term of the grant award, the state and/or federal funds appropriated for the purposes of the grant award are reduced or eliminated by the California Legislature or the United States Government, or in the event revenues are not collected at the level appropriated, OES may immediately terminate or reduce the grant award by written notice to the recipient. However, no such termination or reduction shall apply to allowable costs already incurred by the recipient to the extent state or federal funds are available for payment of such costs.

OES Grant Award Agreements are subject to applicable restrictions, limitations, or conditions enacted by the California Legislature and/or the United States Government, subsequent to execution of the Grant Award Agreement.

2. Grant Award Conditions

OES may add one or more grant award conditions to the Grant Award Agreement prior to or after funding. If conditions are added, they will be discussed with the applicant and a copy of the conditions will be sent to the grant recipient when the conditions are made part of the Grant Award Agreement. Grant award conditions may include requirements for sole source justification, a computer feasibility study, or other requirements deemed necessary by OES.

3. Grant Award Agreements

A copy of the executed Grant Award Agreement and pertinent attachments will be sent to the Project Director. The recipient is not authorized to incur costs against the grant until a copy of the fully executed Grant Award Agreement is received. When the executed grant is received and the State Budget is finalized, the Report of Expenditures and Request for Funds (OES 201) may be submitted for reimbursement.

4. Grant Award Amounts

When the amount of funds available is limited, OES may reduce the amount of the grant award from the amount requested by the applicant. In addition, OES reserves the right to negotiate budgetary changes with the applicant prior to executing the Grant Award Agreement. If either of these actions is required, OES will notify the applicant prior to executing the Grant Award Agreement.

B. ADMINISTRATIVE REQUIREMENTS

The Recipient Handbook (RH)

The *Recipient Handbook* is accessible on the OES Internet website at www.oes.ca.gov by selecting “*Recipient Handbooks*.” The *Recipient Handbook* contains administrative information and requirements necessary to implement the project. Recipients must administer their grants in accordance with the *Recipient Handbook* requirements. Failure to comply with these requirements can result in the withholding or termination of the grant award.

The information below may be cross referenced with the *Recipient Handbook* (RH) by referencing the handbook section number.

1. Internet Access (RH 11500)

Funded projects are required to maintain Internet access with an established e-mail address. Grant funds may be used for this purpose unless specifically prohibited by the terms of the program.

2. Progress Reports and Data Collection (RH 10100)

Funded projects are required to participate in data collection and to submit progress reports required by the program. Projects are required to keep accurate records to document the information reported in the progress reports. The records must be kept by the project for a period of three years. During site/monitoring visits, OES will review these records for accuracy and compare them with the reported data submitted on the progress reports.

3. Monthly/Quarterly Report of Expenditures and Request for Funds (OES 201) (RH 6300)

Community-based organizations shall submit a monthly Report of Expenditures and Request for Funds (OES 201) unless they request a quarterly reporting period. Government and education agencies receiving funds will be required to report on a quarterly basis. This form is due within 30 calendar days of the end of the reporting period and must be submitted whether or not the project has incurred expenses. Delays in submitting the form OES 201 will result in the withholding of funds and may result in the recommendation to OES' Executive Director for termination of the grant award.

4. Technical Assistance/Site Visits (RH 10300)

Funding projects are assigned an OES program specialist to oversee the progress of the project in achieving its goals, objectives and compliance with the Grant Award Agreement. Program specialists are available to assist the project in the successful implementation of the project and in meeting the administrative requirements of the Grant Award Agreement. New projects should expect a site visit from the assigned program specialist within the first

six months of the grant period. Follow-up site visits will be conducted periodically throughout the life of the grant. Projects may request a site visit to obtain technical assistance.

5. Monitoring Requirements (RH 10400)

A monitoring visit is an onsite assessment by OES staff to determine if the project is in compliance with the terms of the program, the Grant Award Agreement, the Program Guidelines, the RFA/RFP, and the *Recipient Handbook*. Projects will be monitored on a random or as-needed basis.

6. Bonding Requirements (RH 2160)

Private community-based organizations (CBO) and American Indian organizations are required to obtain and send to OES a notarized copy of a blanket fidelity bond or equivalent insurance contract applicable to officials and employees of OES-funded projects within 60 days of the signed Grant Award Agreement. Failure to comply with this requirement may result in the withholding of grant funds or termination of the Grant Award Agreement. The beneficiary named on the bond or an endorsement must include the "State of California, Governor's Office of Emergency Services" and include the Grant Award number for identification purposes.

The time period covered by the bond must include the effective date and time period of the grant, including extensions. The bond must be in an amount equal to 50 percent (50%) of the total grant award and may have a deductible in an amount not to exceed one percent (1%) of the bond.

A bond is not required of a recipient sponsored by units of government. CBOs sponsored by units of government may submit documentation indicating this in lieu of the bond or insurance contract, unless specifically required terms of the program or grant award conditions.

7. Audit Requirements (RH 8100)

Recipients must arrange for an independent audit of the grant award and may budget a portion of the audit costs. Instructions for budgeting funds for audit costs are outlined in the *RH* Section 2234.

8. Copyrights, Rights in Data, and Patents (RH 5300)

OES owns rights of and reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish, and use, in whole or in part, material produced by activities supported by a Grant Award Agreement. These ownership rights are detailed in the *Recipient Handbook*.

9. Source Documentation (RH 10111)

Recipients are required to maintain source documentation to support claimed expenditures and project accomplishments. Source documentation is defined as records used to validate project activities and achievements as pertaining to the objectives outlined in the Grant Award Agreement. Recipients are to retain source documentation for progress reports on a quarterly basis regardless of submission requirements. Requirements and definitions for program specific source documentation are delineated in the terms of the program. Recipients will be required to have written job descriptions on file for positions funded by OES detailing specific grant-related activities to achieve project objectives.

C. **BUDGET POLICY**

This document summarizes information on OES Budget Policy contained in the *Recipient Handbook*. Additional information may be obtained by accessing the *Recipient Handbook* at www.oes.ca.gov by selecting “*Recipient Handbooks*.”

1. **Supplanting Prohibited (RH 1313)**

Grant funds must be used to supplement existing funds for program activities and ***not replace*** funds appropriated for the same purpose. A written certification must be provided to OES indicating the grant funds will not be used to supplant existing funds. Supplanting will be the subject of application review, post-award monitoring, and audit. The rules on supplanting are found in Section 1313 of the *Recipient Handbook*.

2. **Project Income (RH 6610)**

Project income such as client fees and fees for services provided by the project (i.e., training, presentations, etc.), asset forfeitures, profits from the sale of project products, and conference proceeds as the result of a direct trade of time or products for money, must be used to offset or augment the grant unless otherwise specified in the RFA instructions. Project income cannot be used as matching funds unless otherwise specified in the RFA instructions.

3. **Contract and Procurement (RH 3400)**

A competitive bid process is required to purchase equipment or consultant services with grant funds. Noncompetitive bid contracts are disfavored. Noncompetitive bid request approval by OES program staff is required prior to the purchase of equipment in excess of \$5,000, or to hire a specific consultant charging over \$5,000. Local units of government may use their approved procurement policy except for contracts over \$50,000, which requires prior OES approval. For organizations without a written procurement policy, a competitive bid process involves determining the specifications for the items needed and obtaining at least three bids from different vendors. Whenever a specific individual/organization name is identified in the project budget, a noncompetitive bid request will be required. OES will provide assistance in submitting a noncompetitive bid request if OES determines it is in the best interest of the project. These procedures do not apply to funds shared with participating agencies under the terms of an Operational Agreement (see Section 4500, *Recipient Handbook*).

4. **Match Policies (RH 6500)**

The RFA Instructions (Part II) may specify a cash or in-kind match. When used to augment the project, expenditures for items such as Personal Services, Operating Expenses, or Equipment are considered match if not in violation of the prohibition on supplanting. Match specified in the budget will become part of the grant award. (Specific instructions for calculating the match are provided in Sections 6550 – 6550.2 of the *Recipient Handbook*.)

5. **Travel Policies**

The following is OES' current travel policy:

a. **Selection of Travel Policy (RH 2236)**

The applicant may prepare the budget using its own travel policy or the state travel policy according to the following guidelines. Travel reimbursement will only be allowed based on actual costs.

1) Units of Government

Units of government may use their own written travel policy or the state policy.

2) Community-Based Organizations (CBO)

A community-based organization may use the state travel policy or the applicant's written policy up to the maximum rates allowed by the state travel policy.

b. **State Travel Policy (RH 2236.2)**

Use the following state travel policy for budgeting travel expenses:

1) Out-of-State Travel

Out-of-state travel is restricted and only allowed in exceptional situations. Requests for approval for out-of-state travel must be submitted for OES approval.

2) Mileage

When a privately owned vehicle is utilized on project-related business, a maximum of 48.5 cents per mile is allowed, unless a higher rate is justified. Documentation justifying a higher rate must be on file and available for audit, but should not be submitted with the application.

3) Meals and Incidentals

a) Breakfast \$6.00

Breakfast may be claimed when travel commences at or prior to 6:00 a.m. Breakfast may be claimed on the last fractional day of a trip of more than 24 hours if travel terminates at or after 8:00 a.m.

b) Lunch \$10.00

Lunch may not be claimed for travel less than 24 hours. Lunch may be claimed if the trip begins at or before 11:00 a.m. and may be claimed on the last fractional day of a trip of more than 24 hours if the travel terminates at or after 2:00 p.m.

c) Dinner \$18.00

Dinner may be claimed if the trip begins at or before 4:00 p.m. Dinner may be claimed when travel terminates at or after 7:00 p.m., whether on a one-day trip or on the last day of a trip of more than 24 hours.

d) Incidentals \$6.00

Incidentals may be claimed for trips of 24 hours or more.

e) Total Per Diem

Total is \$40.00 for a 24-hour period.

4) Lodging
